

New Tech Network Summer Conference Sponsorship

July 15-18, 2025 • Oakland Marriott City Center • Oakland, CA

Event Website: <https://newtechnetwork.org/2025-events/>

Event Overview

The New Tech Annual Conference (NTAC) is expected to attract a diverse group of over 400 educators, including K-12 teachers, instructional coaches, and school leaders. This highly anticipated event offers a unique opportunity to engage with a dynamic community of professionals all committed to deepening their knowledge of innovative educational strategies. Attendees will come together to share ideas, build networks, and gain valuable insights to help shape the future of teaching and learning. With such a large and engaged audience, NTAC is the perfect platform for sponsors to connect with key decision-makers in education.

We invite you to become a sponsor and connect with an engaged audience of educators who are shaping the future of learning.

Benefits of Sponsorship

The unique structure of the event will encourage attendees to engage with sponsors before, during, and after the event.

Vendor Booths

- 1) Dedicated time on the schedule for attendees to visit booths during the event for a total of at least two distinct windows of over 1 hour each each day
- 2) Activities and opportunities that encourage attendees to visit each booth
- 3) A small number of vendors to ensure each vendor has ample opportunity to engage with a significant portion of attendees (no more than 10 vendors are permitted).

Logo Placement and Promotion in Marketing Materials

- 1) Sponsors will be promoted before, during, and after the event in emails to attendees including a mention by name and logo
- 2) Sponsors will also receive logo placement on the event website

Don't miss this unique opportunity to generate leads, increase your brand exposure, and build community goodwill with innovative educators!
