

ACCELERATOR: **STRENGTHENING INSTRUCTIONAL LEADERSHIP IN YOUR SCHOOL**

## Shape the Learning Environment, Transform the Team.

**Empower your leadership team to go beyond managing — become architects of a thriving professional learning environment. Through hands-on coaching, you'll gain the tools to elevate teacher development and drive lasting, school-wide impact.**

Balancing instructional leadership, school culture, and day-to-day operations can be a challenge for school leadership teams seeking to create an effective learning organization. This coaching support program helps leadership teams improve and implement growth-oriented teacher professional development. By analyzing systems and distinguishing between training and professional development, leaders transform into 'environmental architects,' capable of shaping a thriving learning environment for both students and staff.
